Visual Communications

Experience

January 2008 - Present
Kursisk Design

Freelance Graphic Designer

Expanding knowledge of graphic design principals, aesthetics and business practices through projects involving various types of design elements such as logo's, layout and web development. Also, developing excellent skills in working with clients and addressing their needs in a project.

May 2010 - Present
MD West Serve
Document Manager

Enhancing my skills in data-entry, proof-reading, time management, and organization through work proof-reading editing, and preparing affidavits to be filed in court. Additionally, gaining experience in wiki-editing by keeping intranet work manual updated.

May 2002 - February 2010
Mount. St. Mary's Hospital
Print Clerk / Desktop Production Artist

Gained knowledge and experience in printing and graphic design by running the day to day operations of a print shop. Work included the design and printing of corporate materials as well as being a resource to various employees and departments in need of graphics and images. Chosen Employee of Quarter for the fourth quarter of 2008.
